“ Tony was a good friend/classmate. He was always very happy. He seemed quite, but he was very cheerful and always kept me laughing. I would often stop by the bank and visit him in his office when I came back home to Lexington to visit. Tony you will be greatly missed❤️

“ *I am a colleague of Tony's here at Bank Plus. Although I never had the pleasure of meeting Tony in person, I did have many opportunities to communicate with him by phone. He was such a great help to me with regard to consumer loans. Tony was one of the most patient, kind, and professional individuals I have ever worked with. He was always so accommodating and helpful. My prayers go out to his family for healing during the very difficult time.*
