“ *In high school, Doris was available to me as a friend. She was supportive and always gave good advice. She had the highest-grade point average in our graduating class. I did not see her often after graduation, but we always stayed connected with each other; and when we talked it was like we were still in high school. When I came back to Lexington, we always got together to get together. When I visited with her in August 2024 we parted saying "I love you" Farewell my friend, I will miss you and I will always love you.*

I will truly miss Mrs. Spurlock. She was such a kind hearted person. One of my favorite teachers 😞 I know she endured much, so even though it hurts to know she is gone, she can rest. Extending my condolences to her family, friends, co workers, former students & classmates. 💔🌻
