“ Easter will be missed dearly. When our two families joined with the union of our children, I felt very blessed for my daughter to have a bonus mom who was very kind and loving. After our granddaughter was born, this love grew and Easter was so very happy to welcome another little one to the family. I'll continue to love on Sky and share pictures and memories of you.

“ In everyone’s family, you have the cool and hip aunt. For me, that was Easter Hogan. Younger than my mom, she was the life of the party. Her youthful and lively spirit made us feel welcome and loved. Aunt Easter always made us feel like we were at home even though we live over 650 miles away. We were never strangers. The Kimbrough Family offers the sincerest condolences and appreciations to all that are impacted by this loss. Love and peace always.
