“ *She used to be so hard on me but became my favorite teacher. When she passed out her test I was the first one done and was done before she'd finish handing them out she thought I was cheating. She came to mind a few weeks ago and I began looking for her on Facebook. RIP* ”

“ *Mrs. Mondy was my favorite math teacher. She didn't let me slack, fall behind or be anything other than she knew I could be. I would always stop and talk to her wherever I saw her, she always made me feel welcomed. Thank you for teaching us, loving us and always trying to guide us in the right direction. We will cherish your memories. To the family; you all are in my prayers.* ”
