“ *Michelle was such a dynamic sweetheart. I was blessed to serve as her choral music director at Holmes Community College, and I often called her our "Choir Angel." Her smile was contagious, and she lifted up so many of us daily with her kind, encouraging words. It was obvious that she had a zeal for life and a genuine love for people. Michelle came by my office many days, even when we didn't have choir rehearsal, just to say, "Heyyyy, Mr. Hill," and to "check in" to make sure I didn't need her to do anything. She was my work study/choir manager for a semester, and I never had to wonder whether Michelle would get any task done. She loved to sing, loved to laugh, and loved to serve others. May God grant peace to your family as you take your Heavenly rest, our Choir Angel.*

“ *My deepest condolences to your entire family, especially Marlon and Mylo. You truly made this world a brighter place with your smile and laughter. You were such a loving person, always willing to help anyone because you never met a stranger. Your heart was pure gold. I will truly miss our conversations and the laughs we shared every day. I will always think of you and smile, because I was blessed to have known you for the past six years. You were the daughter I never had. I love you beyond words. Rest easy till we meet again.*

Michelle you were a great person loving, funny and inspirational. This was devastating to your fellow colleagues, you will be definitely missed, and I will think of you each and every day, especially on Halloween when you dressed as that ghost lol. You made a dull day full of sunshine and laughter. Get your rest!
