“ I met Mitch sometime in 2011, after I started dating his step son Darrell. He always treated me like family even before I married Darrell and became family, I will always remember that about him. I'll never forget his jokes and laughs, and how much it showed that he loved his wife and family. Rest in peace Mitch, until we meet again, soar with the angels💜

“ Lived with him for many years. Although he wasn't too fond of me in there beginning, I appreciate that he always managed to love and take care of my mother. Later throughout the years, negativity began to cease and we were able to share some laughs. In hindsight I realize he only meant for the best and wished to see the family grow. He will always be remembered as someone who worked hard and loved to laugh and joke. R.I.P
