“ *Being around Momma Wade was always going to be a good time. The woman literally had a joke for EVERYTHING and about ANYONE, but no matter what she said, shesaid it with a smile so u never had to question if it was a joke lol but knowing Momma Wade there's some type of truth to it lol. She was one happy spirt and if she loved her family was never a question. She loved the family she created and she loved spending her time with them. Mother Wade is definitely granny goals, i want my grandchildren and great grandchildren around me just like she had hers, ALWAYS 😊*
