“ Raven, you will always be so special to me! Your kindness and the care that you showed was a bright light in my life at a time when I really needed it. You filled your days with more goodness in your life than many others who had more years on earth. It is now up to those of us whose lives you touched to pass along the gifts that you gave us - and in doing so, your spirit will live on! To Raven's family, my prayers are with you for strength and comfort now and always.

“ To the family of this very special young lady Raven Grant. I only knew Raven from working at the Cleaner. She was a very kind sweet hearted person. We shared stories about family,work and life. It saddens me that we wount have such conversations anymore but I will always carry her in my heart. R.I.P. my friend

“ Ray was one of the best people I have ever known and I was so so lucky to have been able to call her one of my best friends. We met when we were 14 and were inseparable for years. I don't think I ever laughed as much as I did when we were up to shenanigans. She was such a gift to the world and I would not be who I am today if it weren't for her friendship. Love you forever, Raven.

“ I met Raven in highschool and then reconnected in college at ISU through our mutual friend Kareema. We shared many lunches together on campus. She was such a bright light! We always laughed and laughed at those lunches. She will be dearly missed.

“ I met Raven in high school. We had orchestra together. To know Raven in just the one class was an honor. She had an infectious smile, laugh and personality and you could not help but be happy when she was around. When Raven was at school, you just knew. It just seemed brighter. We lost touch once we both graduated but the world definitely lost a bright light.

*I will always remember her.*
