“ Condolences and heartfelt sympathy for the family. Gangsta was sweet as he was firm. I admired his spirit as he enjoyed life and encouraged those in his presence to do the same.

Again, condolences and prayers for the family and all who shares memories of knowing him.

“ *Gangster will be truly missed by me and my family. He was the type of person you enjoyed being around, kept a smile on his face unless you made him mad and was always the life of the party. I will always remember the good times we had. When he came to our home he was like part of the family . Rest in Heaven my Friend.*
