“ I coached Pony League in Kankakee, back in the early 1990’s. TJ had been coaching for some time then, and continued to coach after I stopped. The amount of time he gave, and the countless young kids whose lives he impacted are immeasurable. TJ’s teams were usually the top teams, if not the best. I enjoyed getting together after the games, sitting around rehashing every single play. I am saddened to hear of his passing, but feel very fortunate to have known him. My condolences to his family- he was a great guy! Rest in peace TJ
