“ We celebrate the life of Taryn Brown and the positive impacts she had and has on those who were blessed to be in her presence. I am thankful that Taryn was a fellow church member and one of my students at MVSU. I served as her Uber driver for several years as we commuted from Starkville to Valley. She was a kind, dedicated, intelligent person of faith. I am struggling with this loss and I am praying for the Brown family and the Valley family.
