Our family is facing tough times right now, and this is a chance for us to pull together. It's time for us to depend on each other and focus on what's important in our lives, the love that binds us together. It's not going to be easy, and we may not always exactly be right, but together we can make it through whatever comes our way because most of all we are family.

Rest in Paradise Daddy

We All Love You Tremendously!!!!
