“ *Deacon Brown was one of the first people I met when I first came to Mt. Olivet. I respected him as a kind and Christian example. When it came to his faith, he didn't just talk about it, he lived it. He was humorous and I especially enjoyed talking with him about sports. He even got me to watch some of the Chicago Cubs games even though I am a Dodgers fan. Deacon Brown will be missed greatly, but every day we should endeavor to follow his example of loving and caring for others. Wilma Faye Webber-Colbert and Victoria Colbert*

“ Deacon Brown was a mentor and father figure to our brother, Paul Webber. He and Mrs Brown invested their love in a motherless and fatherless child. Your gift of love will always be remembered. Thank you for sharing.
